ENTERPRISE LTD.

About RAINBOW

At Rainbow Enterprise Ltd, we are more than just an import/export company-we are your strategic partner in global trade and customized product solutions. With a strong footprint across North America, we specialize in importing and trading a wide range of high-quality materials and products tailored to meet the unique demands of various industries.

From plastic goods to roofing and construction materials, we supply a robust lineup of in-demand products

INCLUDING

Roofing Materials

Lumber Covers

Ground Covers

Plastic-Based Items

Edible Disposable Plates and Cutlery

Slit Fences

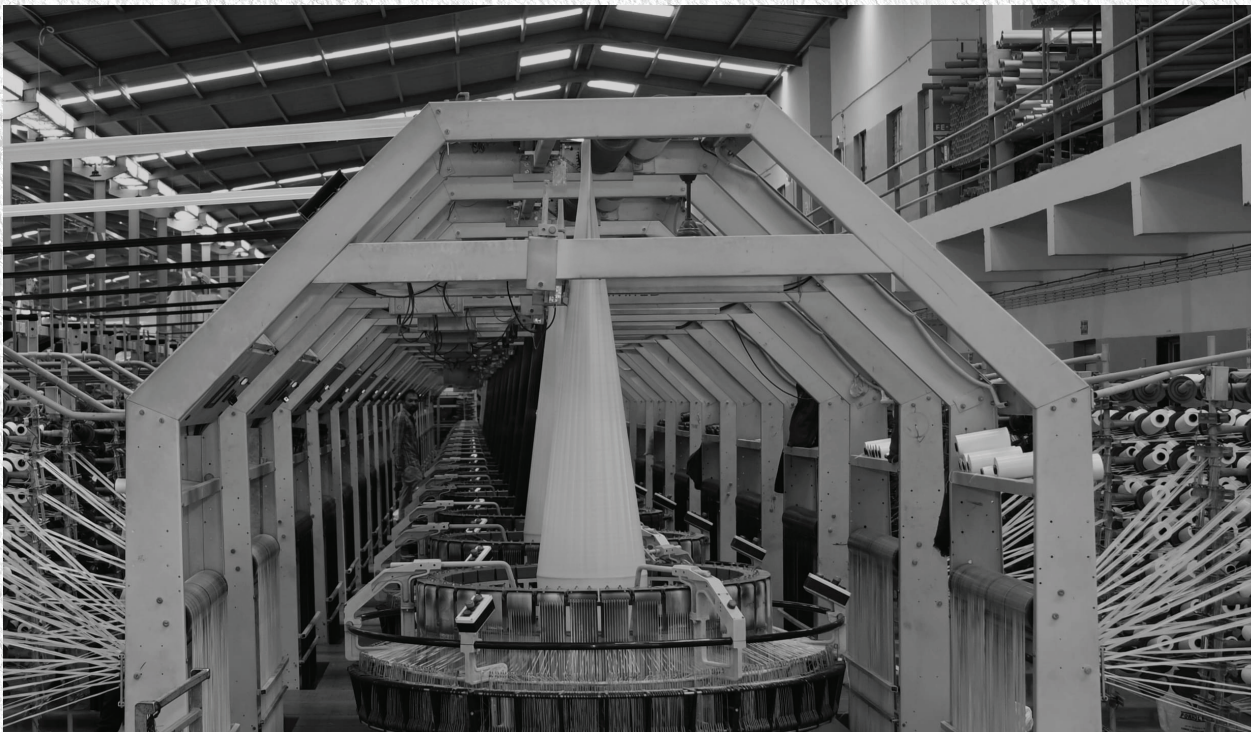

Geo Textiles

Box Bags, FIBC

Superior Fabrics and Textile Rolls

Polypropylene Woven Bags

Whether you're a multinational corporation like Home Depot or Roofmart, a construction firm, or a B2B wholesaler, our solutions are designed to scale with your business and meet your exact specifications.

WHAT SETS US APART

At Rainbow Enterprise Ltd, we are proud to be the exclusive national distributors of **Shri Jagdamba Polymers Ltd**, an industry-leading, India-based manufacturer specializing in Technical Textiles. Shri Jagdamba Polymers is renowned for producing high-performance textile fabrics that are impregnated, coated, covered, or laminated with plastic.

Established in 1985 and publicly listed on the Bombay Stock Exchange (BSE) since 1986, Shri Jagdamba Polymers has spent over four decades at the forefront of the technical textile industry, earning a reputation for innovation, consistency, and superior quality.

This exclusive partnership empowers us to deliver premium-grade products that combine advanced manufacturing with flexibility in design-such as custom GSM and color options-while maintaining competitive pricing through in-house production capabilities.

Our PRODUCTS

Roofing Materials		FIBC & Box Bags	
	Lumber Covers & Ground Covers		Geo Textiles & Slit Fences
Edible & Disposable Plates & Cutlery		Poly -propylene Woven Bags	
	Superior Fabrics & Textile Rolls		Agro Shade Net
